FIFTH ANNUAL REPORT.

THE Acting Committee of the Bothwell Nursing Association, in sending out their Annual Report, have pleasure in stating that most excellent work has been done during the past year, and that Nurse Terry's services have been more than ever appreciated. She has had several very serious cases under her care, and much suffering has been alleviated and help given by her unwearied exertions and skill in nursing. Nurse Terry has had 77 patients on her list, and has paid 2,176 visits from 1st Oct., 1897, to 30th Sept., 1898.

Mrs. Dixon, the Hon. Treasurer, has received thank-offerings amounting to £1 4s. from several who desired to acknowledge her services, and did not wish to receive them gratuitously.

The Committee desire to express their thanks to many kind friends who have sent gifts of old linen, magazines, stimulants, beef-tea, grapes, and other invalid comforts, for special cases.

They acknowledge with thanks a grant of £1 5s., received from the Lanarkshire Needlework Guild, along with a supply of useful articles of clothing, which were most acceptable.

The Committee again wish to thank the Collectors for their kind services, also the contributors, and all who take an interest in this Association, and trust that it may long go on and prosper.

An account of this year's expenditure, duly audited, will be found at the end of this Report.
